Dear Rudra,

How have you been? I hope this letter finds you in best of health and spirits. It's been a while I wanted to tell you about the new book my father gave ~~him~~ me after his journey from abroad. Its name is 'Extraordinary', it is basically a big fat fact book from everything normal to ~~sp~~ exceptional. I also found out on net that it was previously published as 'ask me anything', pretty silly name both about I must say. Well, I read it whenever I am free and I never know when one moment has blended into another. It's pretty great book and has tons of knowledge. You can tell me to convert in into a pdf and we will read it together.

Yours lovingly

Raj
