DEAR DIARY,

I am going to share my feeling to you on my parents .

Mine life is different from kezia. When I do naughty mischiefs, I till now not bitten but kezia beaten with a ruler because she had tore out her father's important speech for port authority to fill her pin cushion. I am the favourite of my parents.

I when do mischiefs, just first asked why I did this; what was my purpose to do this? I was very naughty in my childhood as I have heard from my granny.

I think I must have shared to you that I had broken a mobile phone of father.

But I was not bitten or given any punishment because my father knew that I had done that unknowingly.

Also I had remembered that I had burst a firecracker on cooking gas stove, for that I was not given any punishment or any scolding because I very small around 6 years to understand what is fire.

GOOD NIGHT,
DEAR DAIRY
Aditya Digvijay Ray

THANK
YOU
