

Character sketch

Draw a pen portrait of the following:

1) Disciple:

Disciple is greedy in nature because he gets attracted to cheap prices of food in the kingdom. He is arrogant because he ignores Guru's advice of danger in kingdom of fools. He is fearful in nature who gets scared at the thought of being executed by the foolish king.

2) The king:

In the "kingdom of fools" all the people in the kingdom are fools. The fooliest person in the kingdom is the king itself. He had no sense of distinction between right and wrong. He could not even decide the prices of costly and inexpensive items in his kingdom, thus setting the costs of all items ~~are~~ as the same. He was creating huge havoc in his country.

3) The merchant

Merchant was blamed by the king but the matter was that a thief broke into the merchant's house. He had made a hole in the wall and sneaked in, and he was carrying out his loot, the wall fell in it and killed him on the spot. The thief's brother complained to king and said to do justice for thief's family. King ordered the merchant should be punished. So, he was in a trouble. He said that "the bricklayer had done bad wall for which it fell on the thief and killed him." The king sent his messengers to bring the bricklayer. The bricklayer said he was innocent. He did not make a wall good because he saw a lady dancing on a road. Then the dancing lady was called. She also said that she was innocent and said she was dancing in the road because of goldsmith. Now, the goldsmith was called he also declared himself as innocent and said he did make jewellery for dancing girl because the merchant was not other than the real owner of the house. Now the king was ordered to make a ~~state~~

decided merchant
~~for~~ merchant to give him punishment. The merchant said that he was innocent but his father was guilty as he had ordered for jewellery. Now, the king understood that the father of merchant was true murderer. But ~~was~~ unfortunately he was ~~secret~~ ~~so~~ ~~hidden~~ dead. So, he decided to leave the merchant. Now, the merchant is safe.

4) Thief's brother.

One day, a thief broke into a rich merchant's house. He had made a hole in the wall and sneaked in, and as he was carrying out his loot, the wall of the house where he had made a hole collapsed on the head and killed him on the spot. Now, the thief's brother came to the king's court and said that he ~~wanted~~ want justice for his brother and for his family. He complained to the king that while his brother was pursuing his ancient trade a wall fell on him and killed him. The blame on the merchant.
