2. Complete the following passage using the correct conjunctions.

One day, Xian got up early to go to the nearby forest to pluck some fruits and berries. While going to the forest, he picked up a big basket from Uncle Tom's shop. When he reached the forest, the sun was shining brightly. There were pretty flowers everywhere and chased them from flower to flower. After he was playing a ~~out~~ his magic pencil and book, and drew two fox cubs. Whoosh! Sparks flew and two cubs appeared. Seeing ~~licking~~ them, the cute cubs, the fox became very happy before started licking them. The cubs too were happy to find a mother. After the fox left with the two cubs, Xian quickly picked up his basket and started plucking the berries and fruits. Soon his basket was full and he returned home happily.
