How do I planned my "puja vacation"

A festival is a day or period of religious or other celebration.

Dussehra is the main festival of our family. All the members of our family come together to celebrate Dussehra. We all wear new clothes in puja. So our puja starts with new clothes. On the eve of Durgasthomi lots of dishes are prepared and guests are also invited. We do lots of fun with friends and Cousins.

On Vijayadashami we visit
pandals. We also enjoy Dandia
with our family. This is how
we enjoy our puja vacation.
