Macavity is a mystery cat. He is the master criminal. He can defy and break any law. Macavity is matchless in his field. He can do any impossible task. He can disappear. He can break Newton's law of gravity and float in the air without support. Even the fakirs and that magician are surprised to see his feats. He will outwit you. Macavity is a tall and thin cat. His eyes are sunken, and his head is lined. His head is round like a dome. His coat is soiled and his hair is in disorder. He moves like a snake. Macavity is a devil in cat's shape. He is morally corrupt.
