1. My family is a nuclear family.

There are 4 people in my family.

They are my father, my mother, my elder sister and me.

2. My family is very supportive and my parents are very close to me.

3. My sister and I are very obedient to our parents and love them.

the most.

4. Our parents treat us like a friend

5. Because of the huge support of my family, I live a worryless and joyful life.
