

3. Read the sentences given below. A few of them are in the Present tense and a few are in the Present Continuous tense. Place the sentences in the correct columns. Two are done for you.

- (a) Priya goes to the park in the morning.
- (b) Sam is chopping vegetables.
- (c) We are playing kabaddi.
- (d) I read every night.

(e) Subbu is working on the project.

(f) I go to karate classes every Sunday.

(g) Radha and Shreya are performing in the school function.

(h) My mother works for a bank.

Simple Present	Present Continuous
<p>Priya goes to the park in the morning.</p> <p>I read every night.</p> <p>I go to karate classes every Sunday.</p> <p>My mother works for a bank.</p>	<p>Sam is chopping vegetables.</p> <p>We are playing kabaddi.</p> <p>Subbu is working on the project.</p> <p>Radha and Shreya are performing in the school function.</p>

Recap

- The **Present Continuous tense** tells us about actions that are happening now.
- The structure of Present Continuous tense is: is/am/are + verb + -ing. For example, *is + play + -ing* → *is playing*
