I and my cousins plan to play cricket after our breakfast. So we had our hurry burdy Bombay toast & a glass of milk. We went out & started to play our games. Suddenly I felt the day becoming dark and looked up the sky to my excitement the sky looks dark smoke & I can hear the thundering roar in distance in few minutes heavy wind blows & a big flash made dark into

bright day now I know that in
few seconds gamma heard the
big thunder sound but before
that I felt a big stone of
waterfall on my shoulder. Then, the
rain came like hail of stones, me
& my cousins get wetted in seconds
then we started to run when we
reached near my home the rain
splashed heavy. There was a
day when it rained I & my family
enjoyed and I did not write well
for bed. ~~It~~ simply said

If a window of opportunity appears, don't pull down the shade.
