

## Indian Village

The soul of India lives in its villages, 60% of the population still lives in villages of India. India village have a very beautiful and attractive lifestyle. The villages are free from the hustle and bustle of a city life, villages are peaceful, calm, quite and full of greenery where one can breathe fresh air. The beauties of village are described by the way villagers happily live in the small huts or a home made by clay or mud. The villagers are socially knit together, every evening they assemble in the village with their and chatting and talking goes on till late the night.
