My favorite fictional character is Shin Chan. He lives with his parents, sister and pet dog in the city Kasukabe. He is naughty, mischievous and a no shame boy. He is a curious boy. He is 5 years old. His eyes colour is black and his eyebrows are thick. He has black hair. He has 4 friends name Bo-chan, Kazama, Masao and Nene. He loves to watch Action Kameen and Kuntam Robo, Shin Chan and Kazama are best friends. He always makes his mother angry.
