Loving Mother,

It has been a long time since I've written to you. Actually I was busy in a school project. How are you and Mother? I am fine and hope the same to you.

After completion of the project my and my friend planned a trekking camp to Mussoorie. So, I will return home a week later than usual. And I will take good care of myself, so you have to promise me not to worry about me. I have heard that Mussoorie as a very beautiful hill station. When I will be back I will show you the pictures of it.

And soon we will go together  
there. Once this camp will be  
over I will come there and  
will stay there whole month  
during my summer break.  
We will have lots of fun.  
we will go to the new amusement  
park opened there. I miss you.  
take care of your self

with love
