

i- Estimate the following off  
to the nearest 10.

i- 837 we have to round up 7

7 > 5 so the answer is 840

ii- 1240 we have round down 1

$1 < 5$  so the answer is 1240

iii- 8345 we have to round up

5  $5 = 5$  so the answer is

8350

iv- 6782 we have to round

down 2  $2 < 5$  so the

answer is 6780
