Subject: Visit to Art Gallery in Amritsar

Dear Ashwas

Hope this email finds you in good health and spirit.

This summer holidays I went to the State Art Gallery in Amritsar. A lot of paintings of landscapes, scenes and many more were there. A lot of styles of paintings like madhubani painting, warli art, pattachitra and many more were also there. There was a madhubani painting of Lord Krishna and Radha <sup>dancing</sup> on the river bank. I liked this painting as it was very colorful and realistic. So, as you like art I suggest you to go to the State Art Museum in Amritsar and enjoy yourself.

Warm Regards

Vimal
