Oh it drives all joy away!

Oh it drives all joy away!

Oh it drives all joy away!

Oh it drives all joy away!

Oh it drives all joy away!

Oh it drives all joy away!

Paragraph Writing

Rivers are very much important in our life ~~to~~ from social, economic or religious aspects.

They provide cheap transportation, source of livelihood, electricity, sea minerals as well and gemstones.

Many rivers in India have got the status of a goddess or a mother in various Hindu religious books. River 'Ganga'

• is the longest river of India
and by water flow, 'Brahmaputra'
is the largest one
