

1. More people live in the south of greenland than in the north. Why do you think is so?

ans More people live in the south of green land than in the north because of facility like:-

- (i) Hotter ~~than~~ than north
- (ii) The capital of green land is nuuk so, that is in the south part there foods houses and also a airport is there so.
- (iii) ~~Facility~~  
The store ~~are~~ have hunting material they need that and ~~medicat~~ hospital for treatment.
