

~~ESKI~~ Eskimo are of short height who live in Alaska, Northern Canada, Greenwich and other polar regions. They usually live in igloos a house of snow. They are also called Inuits or Yupiks. Long ago they use harpoons but now they use guns to hunt. They use animal skin and leather to ~~escape~~ escape from cold. They speak in many languages^e but Alutik is the main language. They wear parkas^e and mukluks with hoods lined with fur and long boots of seal
