Dear Ajay,

Hope you are fit and fine there.

~~Dear~~ This letter is to express my happiness on getting my new english book set.

As you know that I have ordered 'Wren & Martin' english book set on a site on internet for my references. These books reached today on my given home address on today morning near about 11:00 am. I was very happy when I saw the set. Then after sometime I sanitized it and opened the cover and I felt like a ~~happy~~ angel that time when I saw and opened those books. That set contains one literature book, one course book and one extremely helpful grammar book. I would review the set 5 stars as the books were amazing and helpful. I would also suggest you that you also should buy the set and read those books as they can improve your skills.

Give regards to uncle and aunt and love to younger ones.

Yours lovingly
Ansuman.
