

## Paragraph on 'Banyan Tree'

Trees are very essential for survival from which Banyan tree contributes a lot. Therefore, Banyan tree is the National tree of India. The tree is extremely extensive which is very large, and dense. Its one sided view with large trunk, lakhs of branches and leaves and the swinging roots from the branches make the tree dense and at night it is one of the most fearful sight. In early days, these trees are known to be base of ghosts. However, till date, this tree is sacred for Hindus. This tree belongs to fig family and is also known as vat-voiksha in Sanskrit. The largest Banyan Tree in India is in Botanical Garden in Howrah. Poet John Milton to write in Paradise lost that Adam and Eve made the first clothes from Banyan leaves.
