Subject: Experience in art gallery

Dear Neeraj,

Hope you are fine along with aunt and uncle. In this mail, I want to share my experience of an art gallery with you. I have visited many art galleries, but the best art gallery experience was of Jehangir Art gallery in Mumbai. I went to Jehangir art gallery previous year, during an exhibition. There were many art paintings for exhibition. Many talented artists have participated. The paintings were so magnificent that it was difficult to judge them. This was my best art gallery experience.

Regards

Vimal
