Respected sir

Subject: Extra class for maths

I am Ansuman Mohanty from class-6 sec-A.

I was absent for 1 week due to dengue fever  
and couldn't attend classes, so, I am not  
able to understand the concept of mathematics  
which is now being taught

Therefore, I request you to ~~fix me to~~ conduct maths extra classes, so, that I can understand the concept.

Thank you very much

Yours obediently

Ansuman Mohanty
