

- 4.** Write a letter to your cousin in Sydney, Australia, telling him how you are enjoying spring, the flowers, the weather and the 'Basant' festival. Ask him about the weather in Sydney.

5. Cycle of Day and Night:

- Cut out a 'sun' from a piece of cardboard. Paint it yellow. One child will stand with the 'sun'.
- Two children will stand back to back, hold hands and represent the 'earth'. One child will face the sun and the other will face away from it.
- The 'earth' children should rotate slowly, while on the spot.

The child who faces the sun, is in sunlight and is 'day'. The child who faces away from the sun is in dark and is 'night'.

6. Solve this 'heavenly' puzzle.

A C R O S S

- A C R O S S**
- 6 Freezing cold winds blow on this planet
 - 7 They twinkle at night
 - 8 Planet that supports life
 - 9 Roman God of war
 - 10 Erupts when hot boiling lava comes out of the earth
