

Chemistry Honours *algebraic type question*

1. (a) constituents or component of a mixture.

(b) Evaporation or crystallisation

(c) heterogeneous (liquid in gas)

(d) loading and decantation

(e) decantation

(f) Crystallisation

(g) sublimation

(h) filtrate.

(i) decantation

(j) Filtration.

2.

(a) True

(b) False

(c) False

(d) False

(e) False

(f) True

(g) False
