## Value education

### Forgiveness

Feel the experience and write a few words about your feeling.

• If any of my friend hurt me of any reason I will definitely

forgive him because forgiveness is the best weapon to keep our mind peace.

It also gives ~~us~~ <sup>us</sup> internal peace and ~~motivation~~ satisfaction as it ~~is~~ has a great power to change the reason. It

also helps us to give up our ~~bad~~ bad feelings and makes us good human beings.
