

Explain the significance of the title 'A Truly Beautiful Mind'

The Title is apt since Einstein had a mind which was full of thoughts and innovative ideas as well as he thought about world peace & not only of his own country, he was a great person.

He was a humanitarian. He advocated world peace, non-violence & that is why the title refers to him as a truly beautiful mind.

He was using his brain and mind not to build destructive weapons, but to bring world peace.
