

The making of scientist

Date
Page

1 How did a book become
a turning point

Ans the book 'The travels of man' opened the world of science for Richard. After reading it he became interested in fractals, the migration of butterflies this interest led to his other projects and experiments. Finally, he became a great scientist.

2 How did his mother help him
Richard's mother proved to be a great help. She took him on trips and bought scientific equipment for him. She spent all her time in setting up challenges for him. This helped him to learn a lot. She presented him with her book 'The travels of Man' The book changed Richard's life forever.
