

3. Read the sentences given below. A few of them are in the Simple Present tense and a few are in the Present Continuous tense. Place the sentences in the correct columns. Two are done for you.

- (a) Priya goes to the park in the morning.
- (b) Sam is chopping vegetables.
- (c) We are playing kabaddi.
- (d) I read every night.
- (e) Subbu is working on the project.
- (f) I go to karate classes every Sunday.
- (g) Radha and Shreya are performing in the school function.
- (h) My mother works for a bank.

Simple Present	Present Continuous
Priya goes to the park in the morning.	Sam is chopping vegetables.
→ I read every night.	→ we are playing kabaddi.
→ I go to karate classes every Sunday.	→ subbu is working on the project.
→ My mother works for a bank.	→ Radha and shreya are performing in the school function.

### Recap

- The **Present Continuous tense** tells us about actions that are happening now.
- The structure of Present Continuous tense is: is/am/are + verb + -ing.  
For example, *is + play + -ing* → *is playing*
