

When William was in the van everybody  
everybody keep the pot pot piano,  
side board and hot stand out  
of the door of the van. William  
was stuck inside the van. He  
said "Hey! Let me out of it".  
So his elder sister Ethel said  
sharply "What did you go in  
for? then Mrs. Brown William's  
mother said "You can't get  
out, William we can't move  
everything again. William try  
himself to get out but failed. So

at last they move everything and  
help william.
