11) The members of the Ladderless Window ^{cleaning} company are the peccan, the giraffe, the monkey and Billy.

2) The Company intially proved to the Duke of Hamisphaire that they were good at what they did by picking the ~~big~~ big ~~black~~ black juicy cherries from the tall cherry tree. They offered the cherries to the duke, who was highly impressed by their efforts.

3) They called themselves the Ladderless Window cleaning company because they could clean any window at any height.

without using a ladder. The tall Giraffe ~~with~~ with his neck was like a ladder. The Peican would hold water in his beak like a bucket and the Monkey would use his hands to do the cleaning. This way each of them had specific roles to play.
