The Firebringer

Get Set

1. Do you think fire is important to sustain life on earth?

Yes, fire is important to sustain life on earth.

2. How do you think fire came to the knowledge of humankind?

According to the Greek mythology, Prometheus stole fire from the gods and gave it to humans.

3. How do you think our world would have been if human beings did not have the knowledge of fire? Give reasons for your answer.

If human beings did not have the knowledge of fire the people would have been eating the raw food.

The people would not get the warmth of fire and be cold. So, fire is very needed for humans.
