Summary

In this poem it is telling that the old woman does not want any help and to become independent we also do like the old woman. She became a begger for a good food and a good health but he want to be independent. In this story ~~we~~ it is telling that how she begs. She hold the steves from whom he want money and Instead of that she will ~~give~~ take you to

~~house~~ house shoe shine. ~~She~~ The person has
immediately and going and before him she, the
old woman was also coming and held the
sleeves again because old women are sticky
when she want anything a till not get that
she will not get you off. The person was
immediately and he want to end the pointless
situation.
