

Dis Advantages of Social media

Article by Jilly cahu

Social media has grown tremendously in the last years. From 2006 onwards the growth rate is unexpectedly very high. Specially Facebook and Twitter has grown much faster and captured millions of users in just a few years. The way

technology is growing . it is
obvious that more and

more people are going to
grasp its benefits . it has
brought lot of disadvantages
for the society . these

Internet and its technology
brought violent games

and ~~the~~ videos that
are ~~also~~ harmful for

children and
our society

The technology distracted the student by the video games and any other games that attract the student themselves. Many eye problems and any other games that attract the student themselves.

The video present in ~~the~~ among the collage student that enable distraction among the children.

Conclusion:

I suggest you that

Out door games are

much better than the

games played in the

mobiles. So we

should stay away

from mobile phones.
