

Q1) Despit all speculation, madame Valmonde accepted the baby unquestioningly. What does it tell us about her?

When Desirée was a baby some one left Desirée in the party by the way Madame Valmond was moving she don't have ~~and~~ any child she and her husband took the baby to their home they took care of Desirée very sincere though ~~she~~ she were

Page \_\_\_\_\_

was not their own  
child but they behave like  
their own daughter.  
She was very young  
and ~~so~~ beautiful.

Q2) Write a note on Desiree's  
Origin in about 50 words?

Desiree was of white origins  
though his son is of  
black colour and man

thought Desiree was of  
black origin. but actually

Ammand was of black origin -
