Dear Anna,

On Sunday, May 9, I went to the hill station with my favourite companions, my pet dog Tommy and my pet parrot Tweety. They used to follow me and it was too enjoyable for all of us. My parents sat to drink a cup of coffee whereas we 3 played hide and seek for a little time and then also sat for our biscuits, cream and berries that we had plucked. But the most amazing thing I saw was a lot of birds were sitting on a very small tree and there hardly any leaves were visible. I wish to go there again.

My dear Anna,

I had won First Prize in dance contest. I danced on my most voted song - Tili'an. I usually dance everyday at my house and I got a little practice of it. When I heard about the contest I practiced regularly and atlast when it was the day to get success, I got. My future plans will always be like this.
