

Devree Baby

- 1) Give a description of Devree in at
50 words

Devree

Devree was actually an orphan. When a rich man was passing through the stone pillar where he saw a baby girl, then he taken her with him. His name was Monsieur Volpande who was the father of Devree. Madame Volpande was the father of Monsieur Volpande and the mother of Devree. After 15 years passed Armand Aubigny another aristocratic person of Louisiana fell in love with her and married Devree. Devree was a very kind hearted wife and was also very kind even to the slaves. But after some time quarrels started to happen because somewhere Armand started suspecting or going that she was a black and Armand hate blacks.
