Date 17-7-21 No.

VII Scholar Batch

Ram Bharosa who keeps a tea shop, wants the umbrella desperately. Ever since it had become known that Ram Bharosa had tried to have the umbrella stolen, Ram Bharosa had lost his own appetite, and ate and drank very little. She was in some way responsible for Ram Bharosa's misery. She could not help feeling that, in a small way, she was the cause of the sad look on Ram Bharosa's face.

She was Ram Bharosa's first customer in almost two weeks - He looked suspiciously at the girl.

Thank you.
