Respected Sir/Mam,

I am a student of class VII<sup>th</sup> Scholar Batch of your school. With due respect, I would like to request you to change my section from VII<sup>th</sup> Scholar Batch to VII-A. The key reason is that my brother is in VII<sup>th</sup> A and this will help in reducing the financial burden as well and also promote collaborative learning. Therefore, I kindly request you to allow me for the same.

Thanking You,

Brajraj
