

HOME ASSIGNMENT

HOW ARMAND AUBIGNY ACTED

Desiree's Baby was written by Kate Chopin. It shows the harsh truth of what was the old society.

When Armand Aubigny suspected that Desiree was black, his thoughts about her changed. When he saw their child was black, his behaviour and the way he talked about her changed. He was rude, almost talked to her as a slave. As the saying goes 'Almighty God had dealt cruelly and unjustly with him!'
