The Superintendent

of Police

Patta

Sir,

Subject - Stopping of Mal practice of autorickshaw drivers Plying in the city, by imposing strict traffic rules

I Devi Prasad Nanda Begging your kind attention and necessary action for malpractice of autorickshaw drivers. For your information there are more than 5000 autorickshaws in our city. Most of them are overloaded that causes fatal accidents. Many autorickshaws are used for taking school children which are overloaded. And that is against the traffic rules of the country. It also causes fatal accidents and, thus endangers the life of children.

• Most of the autorickshaw drivers are found drunked while plying and donot obey traffic rules.

So, kindly make strict checking of autorickshaws and it's drivers. Also, impose strict traffic rules to reduce their Malpractice.

Yours Ynery

Dewi Prasad
