Exercise - 13(B)

8. Which is greater, 0.485 ~~or~~ or $48\frac{1}{2}\%$?

Solution

Both are equal

9. No. of tickets class V students sold = 344 out of 400

$$= \frac{344}{400} \times \frac{100}{100} = \frac{86}{100} = \frac{15}{20} = \frac{35}{50} = \frac{70}{100} = 70\%$$

$$= 12\%$$

No. of tickets class VI students sold = 582 of 600

$$= \frac{582}{600} \times \frac{100}{100} = \frac{97}{100} = 97\%$$

$$= 60\%$$

So, ~~the~~ class VI sold the more percent of tickets.
