Recap

- Words show position and time in a sentence are called **prepositions**.
- The preposition **under** tells us that someone or something is below something else.
- The preposition **over** is used to say that something is above something else.
- The preposition **inside** is used to say that something is within something else.
- The preposition **outside** is used to say that something is out of something else.
- The preposition **below** is used to say that something is kept/placed at a position lower than something else.
- The preposition **at** is used to talk about specific time.
- The preposition **in** is used to talk about a period of time such as days, months, years and seasons.
- The preposition **on** is used to talk about a day or date on which a particular event happens.
