Describe what the otherz people were telling about the scorpion.

A- The otherz people were giving their own interpretation to the biting of the scorpion. Some of them said motherz sins which she committed in herz previous birth have been forgiven. Some people assumed that she is going to die and that she is suffering from will decrease the troubles in herz next birth. Some otherz put forwards that herz gooddeeds will be balanced against herz bad deeds because of the bite of the scorpion. Some otherz people said that the poison will purify and refresh herz flesh of desire and herz spirit of the ambition. All of the seemed to be in place because of their thoughts.
