Write a paragraph on 'Ilu' in 50-80 words

A- Maniv is a young girl, 12 years of age. She has just entered class VIII. She lives with her mother, who calls her Ilu (so does everybody else). Ilu's father had been killed in a tragic accident. Her mother works as a domestic help and is the sole provider for her small family. Her mother brings her hand-me-downs from the homes in which she works and Ilu welcomes them like new-friends. She is mostly seen in clothes given away as hand-me-downs. Often there are size problems with the old dresses, skirts and blouses, which are then altered to Ilu's size by Ali. Ilu never saw the gifts that she received as being old because they were entering her life for the first time. Therefore, as far as she was concerned, they were brand new. She especially loves the well-used textbooks, and the treasures sometimes hidden among their pages; fresh flowers, poems and sometimes even a dead butterfly. Ilu ~~never~~ is a very practical and a

sensible girl
