

H.W

3. Read the sentences given below. A few of them are in the Simple Present tense and a few are in the Present Continuous tense. Place the sentences in the correct columns. Two are done for you.

- (a) Priya goes to the park in the morning.
- (b) Sam is chopping vegetables.
- (c) We are playing kabaddi.
- (d) I read every night.
- (e) Subbu is working on the project.
- (f) I go to karate classes every Sunday.
- (g) Radha and Shreya are performing in the school function.
- (h) My mother works for a bank.

Simple Present	Present Continuous
Priya goes to the park in the morning.	Sam is chopping vegetables.
-I read every night.	-We are playing kabaddi.
-I go to karate classes every Sunday.	-Subbu is working on the project.
-My mother works for a bank.	-Radha and Shreya are performing in the school.

Recap

- The **Present Continuous tense** tells us about actions that are happening now.
- The structure of Present Continuous tense is: is/am/are + verb + -ing.
For example, is + play + -ing → *is playing*
