

Gret Going - A

(1) What did the eel want to do? Why couldn't he do it?

Ans. The eel was determined to ride on a wheel, but he couldn't do it because when he sat on the saddle to ride, his tail could only pedal one side.

(2) What plan was devised by the neighbour to solve the problem?

Ans. His neighbour, who was also an eel, said that they could wear a belt around both their waists and fasten it with a strap. In this manner, each eel could pedal one side of bicycle.

8. Identify your pair of words from the poem that make minimal pairs?

Ans eel-wheel, might-right, fun-done,
side-side

B 1. What do you understand by the line,

'That two heads are better than one'

Ans 'That two heads are better than one'

means that when two people work together to solve a problem, they are more likely to find a solution,

that when one person works alone.

2. What do 'the fund' and 'the thing' refer in the following lines?

Ans. His neighbour, observing the feat says

"I think that the ~~big~~ thing can be done

Ans. In these lines 'the feat' refers to

the neighbour's observation of the

ambitious young eel falling over while

attempting to ride the bicycle. The

'things' refers to the act of riding

a bicycle successfully
