Q Why do we need election?

Election is a mechanism by which people can choose their representatives at regular intervals & change them if they wish to do so.

Need of elections are:-

- They can choose who will make law for them
- We can choose who will make / form the government & take major decisions
- They can choose the party whose policies will guide the government & law making.

Q Q What are the demerits of electoral competition?

- It creates a sense of disunity and fractionalism in every locality.
- Different political parties & leaders often level allegation against one another
- Parties and candidates often use dirty tricks to win election.
- The pressure to win electoral fights doesn't allow sensible long-term policies to be formulated.
- Some good people who may wish to serve ~~people~~ the country don't enter this arena.

Q) Define the term electoral constituencies?

The country is divided into different area for the purpose of elections. These are called electoral constituencies.

Q How many Lok Sabha constituencies are there in Odisha
