

a What was the impact of first world war on Germany? Who were November Criminals? Why did they called so? What do you mean by Armistice Day?

The impact of first World war were:

- It had a devastating impact on the entire continent both psychologically & financially.
- The infant Weimar Republic was being made to pay for the sins of the old empire.

Those who supported the Weimar Republic, mainly Socialists, Catholics & Democrats, became easy targets of attack in the conservative nationalist circles. They were mockingly called "November Criminals". This mindset had a major impact on the political developments of the early 1930s, ~~as well~~.

The anniversary of the signing of the armistice that ended first World War on Nov, 11, 1918.
