

Paragraph writing

I love all my family members but mom the most. She adds a sweet twist of love in my life. She always cares everyone in family. She is very hard working but at the same time she also clears my doubts in studies. She loves cooking. Now if I am in this wonderful this just because of ~~my~~ mom. This is for you mom.

Mom you are the most precious thing in my life,

All my joys and other joys are not precious than you.

Thank you mom for
becoming a part of
my world. You are best

So at last I want to tell
all my friends never trouble
you parents because you don't
know how much they love
you.
