

Exercise - Diary Writing

1. You are Tanush, you happened to go to Agra in a crowded bus on a hot summer day. Record your experience in 100-150 words in your diary.

Date: 14th May 2021

Dear Diary,

I had a bad day today. I had to go through a crowded bus today in Agra. I missed my train to Delhi so I had to take the bus. It was the worst experience. I had to stand all the way and there was no place to move. I even found it difficult to breathe. When I got near Delhi, I got a little place to sit. I was very relieved to get down from the bus.

From this experience, I am kind of demotivated to travel by bus. It also made me sad because of the poor quality of transportation. I had to travel for one day, but there could be many people who

have to face this frequently. I hope the situation improves.

I will be writing soon again
Lovesh.

Dear Diary

You know, today is my birthday. I expected a normal "happy birthday" wish from my friends and family. Yeah many called me and texted me, right at 00:00 am wishing for a prosperous life ahead. Mom and grandmother gave me a lot of home made ~~new~~ sweets and uncle gave me chocolates. But you know what made my birthday special? An hour ago,

papa gifted me a laptop. I wanted a laptop for ^{hom} a long time. For completing some projects to attending the online classes, for everything. I needed a laptop. I often asked myself how do I type the projects in that small mobile screen. And now see, my papa gave me the thing I needed though. I never asked him for one. He knows that I need, even though. I don't say. You know I'm too lucky to have him as my daddy. I'm too happy today. ~~No~~ No matter. it's my birthday or not, Ma will not surely scold me if she sees me awake. It's time to go to bed! Good Night!

Neha.
