Chapter :- 3

The Kingdom of Fools

▶ Think about it

1) What are the two strange things the guru and his disciple find the Kingdom of Fools?

ans) The two strange things the guru and his disciple find found in the Kingdom of fools are :-

- > Everyone sleeps during the day and does work and other regular chores at night.
- > Everything costs the same - one dudu.

2) Why does the disciple decide to stay in the Kingdom of fools? Is it a good idea?

ans) The disciple decided to stay in the Kingdom of Fools because everything was cheap there and costs only one dudu. He wanted to have good and cheap food. No, it was not a good idea to stay there because ~~one~~ one can't tell what they will do next.

3) Name all the people who are tried in the king's court, and give the reasons for their trial.

ans) The people who are tried in the king's court are: the merchant, the bricklayer, the dancing girl, the goldsmith and the merchant (second time).

4) Who is the real culprit according to the king? Why does he escape punishment?

ans) The real culprit was the merchant himself according to the king. Although merchant's father was to be blamed, the person to be held punishable was the merchant as the merchant's father was already dead and someone had to be punished for the crime. He escapes punishment because he was too thin to be executed on all the ~~stake~~ stake.
